1/13/2015 15:08	Hill	Toni	Riesel	TX	76682	Under the Georgia Open Records Act, Acme Research formally requests that your office provide us with public spending information, including both capital and operating expenditures, for payments made by or on behalf of the City of Savannah during calendar year 2014. Specifically, for any payee, other than an employee, that was paid a cumulative total amount of \$10,000 or more, we seek the payee name, address, and the cumulative total dollar amount paid to the subject payee over the relevant time period. The \$10,000 threshold was established to minimize reporting for respondents. If a data sort of this type is not available, please supply the requested information for all non-employee payees. This is the same information Bret Bell was kind enough to provide to us via email for calendar year 2012.

Requesting any records from Fire Department, Health Department, or Environmental records regarding the property located at 595 Northport Parkway, Savannah, GA.

I am requesting a copy of the water bill and readings from 123 Scarborough Street for the period of 7/1/2014 through the present. This document must be presented to Chief Magistrate Moss as soon as possible. I am in fact the owner of said property.

I am looking for new apartments that are currently being built or apartments that are planned to be constructed.

I am concern of changes on my tax payments from 2009 till 2013

We are performing a Property Condition Assessment for Hyatt Regency Hotel, located at 2 West Bay Street and Courtyard Savannah Hotel, located at 415 West Liberty Street, both in Savannah, GA and need to know if you have any outstanding code violations on file and if applicable when the last inspection was performed by your departments.

Do the Building or Fire Departments have annual inspection programs; or do they only inspect new construction, work that requires a building permit, and citizen complaints.

Can you provide the Zoning classification please?

Copies of the winning proposal and evaluation scores received in response to the Request for Proposals Event No. 2425-1 for the Disparity Study for the City of Savannah, Georgia.

Please advise if there is presently any outstanding fire code violations for the property listed below. This information is required for a real estate transaction.

2/25/2015 12:11 NaTasha Pendleton MOORE OK 73160	Family tree research marriage, birth,

Pursuant to O.C.G.A. §§ 50-18-70, et seq., I am requesting that you allow me access to any and all information including but not limited to reports, correspondence, facsimiles, electronic mail, and any other documents that pertain to the following:

- 1. A copy of Savannah Chatham Metro Police, Office of Professional Standards policy on its pat down policy.

If for any reason, you determine that certain portions of the requested documents or information are exempt from disclosure under the Georgia Open Records Act, please delete any such allegedly exempt materials and furnish copies of those portions of the documents that are not exempt. If any documents are withheld or portions deleted, please identify those documents, the substance of such documents/deletions and the grounds for withholding such documents or making such deletions. Consent to such deletions in no way waives any right to appeal any determination that may be made concerning the applicability of any exemptions under the Open Records Act.

By law, you are required to make these records available to me within three days of this request. O.C.G.A. §§ 50-18-70 (f) (specifying that the time for a response shall not exceed three business days). If these documents could be made available today for pick up after this request, please notify us.

					Urgent. Conducting a Phase I Environmental Site Assessment at 301 & 303 Tattnall Street. Need to ascertain any information regarding environmental conditions of the site, as our research has shown that it was previously a gas station with 3 underground storage tanks. We need to know if the fire department, or any department has records regarding environmental conditions, or records of the removal of the Underground tanks. This property is in the middle of due diligence, and it is very important that we have the fastest turn around possible, any and all efforts to make this happen will be very appreciated! Thank you.
